VISITS

MARATABA SAFARI LODGE

Marataba is a privately managed section of the malaria-free Marakele National Park. The park is a 'place of sanctuary', as its Tswana name suggests, conserving 67 000ha (165 560ac) of the Limpopo Waterberg's biodiversity, as well as Iron Age sites of great historical significance.

Marataba Safari Lodge is for the active family safari. A place in the mountains to unwind or find adventure. The 15 luxury Tented Suites (including four Family Suites) bring you closer to nature without having to rough it. The stone and canvas abodes each have a king-sized bed, en-suite, outdoor shower, and shaded viewing deck, while the Family Suites give children their own bedroom and bathroom.
