MARINA LODGE

APTA GLOBAL FORUM

Chobe Marina Lodge gives you an authentic African experience. You will be wowed by wildlife and the welcoming Botswana hospitality. Let our locals teach you the art of basket weaving, enjoy village walks and mesmerising boma dinner dances that bring you closer to Botswana's culture and traditions.

This exquisite property is positioned to cater for the adventurous traveller or the more discerning guest and with its diverse accommodation offering is able to welcome leisure travellers and groups alike.

You can start your day with a sunrise safari with a stop for tea and coffee. Discuss your sightings around a big breakfast back at the lodge. Laze by the pool before lunch, a spa treatment, and a sundowner safari cruise along the river. Then, after a long day of adventuring, come wine and dine with us as we serve you the very best cuisine Chobe has to offer.

Every second at Chobe Marina Lodge is like a sensory waterfall. From the moment the sun rises, washing the Chobe River in gold, to when it bleeds into the horizon again. Curled up in Mother Nature's lap, each day is full-circle perfection.
